TTA CONDITIONS OF EXHIBITOR'S RENTAL AGREEMENT

1. Assignment of Display Space. Space will be assigned by the The Transportation Alliance (TTA). TTA reserves the right to relocate display areas for the benefit of the exhibitor or for the betterment of the exposition. No exhibit space application shall be valid until accepted by TTA.

2. Payment of Display Space. Full payment is due at the time display space is requested. If full payment and signed contract are not received within 48 hours of TTA receiving exhibitor's space request, exhibitor forfeits his or her selection of that particular space.

3. Cancellation. Once a signed contract has been received, exhibitor space contract may not be canceled and fees will not be refunded.

4. Use of Display Space. (a) In the event that the exhibitor fails to pay for the space rental at the time of application, install his or her display within the time limit set for the opening of the exhibition, or comply with any provisions concerning his or her use of display space, TTA shall have the right to take possession of said space and resell same, or any part thereof. (b) All instructional demonstrations and/or activities as well as distribution of information material must be confined to the limits of the exhibitor's space. (c) Exhibits which include the operation of musical instruments, radios, sound motion picture equipment, public address systems, or noise-making machines must be operated so that the noise resulting from them will not annoy or disturb adjacent exhibitors and their patrons, and must be approved, at least two weeks before the show opens by TTA. (d) No exhibitor shall assign, sublet, or share the space assigned. (e) Exhibitor shall also comply with all reasonable requests of the officials of the exhibit hall and TTA with respect to the installation, conduct and disassembly of its exhibit. (f) Vehicles will be placed in the center of their display areas.

5. Height Restrictions. (a) A booth exhibitor shall not install a sign or descriptive placard above the eight-foot-high back wall without advance approval. (b) A vehicle exhibitor shall not install a sign or descriptive placard above eight feet high without advance approval. (c) The above, and any other special or unusual exhibit construction or installation, must be approved, in advance, by TTA.

6. Installation and Removal of Displays.

(a) All displays must be completely arranged by the time and date officially specified by TTA. (b) Noisy or unsightly work in any exhibitor's display space after the above deadline is prohibited during the exhibit hours. (c) Goods received after the opening of the show must be delivered to the space and arranged at times other than official display hours. (d) The deadline for clearance of all materials will be enforced. It is the sole responsibility of each exhibitor to have materials packed, identified, and cleared for shipment by such time. (e) TTA reserves the right, with no liability whatsoever for damage, spoilage, or loss, to dismantle, dispose of, store, and clear from the premises any display material, goods, property, or merchandise of an exhibitor who has failed to comply with the above requirements or to order such to be done at the sole expense of the exhibitor.

7. Operating Restrictions. (a) No firm, organization, or trade, regardless of its product, will be permitted to engage in selling, displaying, or order taking in the exhibit hall except for contracted exhibiting companies. (b) TTA reserves the right to restrict displays or remove any exhibitor or his or her representatives for violating this contract because of noise, method of operation, materials, or any other reason; and to prohibit or remove any displays, which, in the opinion of TTA, detracts from the general character or appearance of the exposition, or for any other reason. (c) The serving or distribution of food or alcoholic beverages by the exhibitors in the exhibit hall is forbidden, unless otherwise approved by TTA. (d) The use of live models, performers, etc., shall be subject to the approval of TTA.

8. Storage of Packing and Crates.

Exhibitors will not be permitted to store packing crates and boxes in their display spaces, including behind the booth drape or under a vehicle, but these, when properly marked, may be stored and returned by the service contractors. Storage and marking of crates are the responsibility of the exhibitors. Crates not properly marked or identified may be destroyed.

9. Care of Building and Equipment.

Exhibitors and their agents shall not injure or deface the walls, floors, or any part of the exhibit building, or booth materials and equipment of another exhibitor. When such damage appears, the exhibitor causing such damage is liable to the owner of the property so damaged.

10. Public Policy. (a) Each exhibitor is charged with knowledge of and compliance with all laws, ordinances, and regulations pertaining to health, fire prevention, and public safety. (b) All booth decorations must be flameproof and all hangings must clear the floor. Electrical wiring must conform with the National Electrical Code Safety Rules. If inspection indicates neglect in complying with these regulations, or otherwise presents a fire hazard or danger, TTA may cancel all or such part of a display as may be irregular, and effect the removal of same at the exhibitor's expense.

11. Exhibitor's Authorized Representative.

Each exhibitor shall provide TTA, in advance, the name of the person who will be in attendance at the exposition and responsible for the installation, operation and removal of the exhibit. Said representative shall be authorized to enter into such service contracts as may be necessary, for which the exhibitor shall be monetarily responsible. All booth personnel must be registered for the convention, must retrieve their own badges from the TTA Registration Desk, and must wear the Convention Badge at all times the exhibit hall is open. Those not wearing their badges will be escorted to TTA Registration and made to register in order to re-enter the hall. If an outside crew is hired to install a booth display, the crew members must register upon arrival with Grit Expositions and receive temporary badges. If temporary badges are not returned prior to the hall opening or the crew is found in the hall during open hours, the exhibiting company will be charged for convention registrations for them.

Exhibitor also releases The Transportation Alliance from liability for any expenses incurred or other damage suffered by the exhibitor if the Convention is canceled because of a strike, riot, act of God, terrorist activity, pandemic, or any other cause beyond TTA's control.
